Enclosed are copies of pages listing Cochrans from the indexes to the 1807 and 1820 Indiana censuses. The charge for photocopying is 10¢ per page.

There are no Cochrans listed in Vigo County, Indiana, Marriage Licenses from 1818 to 1850 by Mae Johns. Are you sure your Joseph Sidney Cochran was married in this county?

I also checked the indexes to the various Vigo county histories as well as the early cemetery records. I found several Cochrans mentioned but only one Joseph. He was buried in Woodlawn cemetery 25 March 1877, age 45.

The file on the Cochran family contains the family record pages from the Bible of Landon Cochran, born 24 July 1792, and his wife Susan Trisler, born 15 March 1794. Their children were: Elizabeth, 6 October 1815; Jane Ellen, 19 April 1817; Charles Perry, 13 January 1819; George Trisler, 27 November 1820; Harriet, 27 November 1822; Matilda, 16 January 1825; Nancy, 13 January 1827; James, 7 Febrary 1829; Mary Jane, 16 April 1831; John, 24 June 1833; Nancy Mariah, 28 February 1835.

December 1, 2005,

Hello! I am enclosing a research report listing the sources I checked for information on your Cochran ancestors. A Landon Cochran was a settler here, and we have pages from his family Bible in our surname file. Landon was born in 1792 and did indeed have a son George, born in 1820. However, I don't believe that George was the father of your Henry. I didn't find a George Cochran marrying in Vigo County prior to 1869. I also checked the name index to the various Vigo County histories. While I did find some references to a George Cochran, I think the George mentioned in the histories was a son or grandson of Landon.

I also checked the indexes to the Vigo County marriage, death, and cemetery records. I found a number of Cochrans but not Henry, Elizabeth or Almira. I suspect that your Henry didn't remain in Vigo County for long.

You mentioned that you had the 1870 census, so I decided to check our Ancestry database for the earlier censuses. Since John was age 29 in 1870, I checked the 1850 census for a Henry Cochran who was born about 1841. I found three in Indiana. A John and Elizabeth Cochran in Taylor Township, Greene County, had a nine year old son Henry. A James and Susan Cochran in Reeve Township, Daviess County, had a ten year old Henry, and a William and Jane Cochran in Richland Township, Grant County, had a nine year old Henry C. I searched the 1860 census also and found a 20 year old Henry Cochran in Rutherford Township, Martin County. An 18 year old Elizabeth was listed with him. They were living in the household of a 28 year old John Cochran. I think that John and Henry were probably the sons of James and Susan of Daviess County. James and Susan had an 18 year old John and a 10 year old Henry in 1850, and the Martin County John and Henry were ages 28 and 20. Also Reeve Township is in the southeast corner of Daviess County, and Rutherford Township is in the southwest corner of neighboring Martin County.

When I checked the 1880 census, I found a Henry and Lizzie Cochran in Shelburn, Sullivan County. Henry was age 48, and Lizzie was 32, and no children were listed in the household. The census often made errors on ages, but the Cochran children should still have been at home. I think the Henry and Lizzie in Sullivan County probably weren't your ancestors.

I also checked the Heritage Quest Indiana Vital Records: Marriages CD-ROM and found the following marriages:

Cochran, Henry & Elizabeth Rughe—No date given—Sullivan County Bk. 3, p. 339

Cochran, Henry B. & Elizabeth Gibson—15 April 1860—Martin County Bk. 2, p. 40

I think that Henry and Elizabeth Rughe were the couple in Sullivan County in 1880, and Henry B. and Elizabeth Gibson were the couple in Martin County in 1860. I suspect the

Martin County Henry and Elizabeth were yours, but I wasn't able to find them on the 1880 census.

If you would like photocopies of any of the items on the research report, our charge is 10¢ per page, plus postage.

DIED,

In this City at his residence on 4th Street last night, at 11 o'clock, of Bone Erysipelas, Capt. Landon Cochran aged 63 years.

OBITUARY.

We are to-day called upon to record the death of our esteemed fellow-citizen, Mr. LANDON COCHRAN, who has been long and favorably known amongst us, as a worthy and exemplary man.

Capt. C. was born in Winchester, Va., July 24th, 1792, and moved to this city in 1837, where he has continued to reside up to the time of his demise. He took part in the war of 1812, and was in the battle, known as "Perry's Victory" on Lake Erie and for gallant service, received from the Government of Pennsylvania a Silver Medal, accompanied by a letter of thanks.

At the commencement of the late war with Mexico, he raised two companies of volunteers. The first was reported too late for reception, but with the second company he went to Mexico as their Captain, and was sent home sick a short time before his time had expired.

His funeral will take place this evening at 4 o'clock from his residence on 4th Street, and will be attended with Masonic ceremonies, of which Fraternity Capt C. was a worthy member.
